1. Safety precaution

Notes:

 <div style="display: inline-block; text-align: center; margin: 0 10px;"> WARNING RISK OF ELECTRIC SHOCK DO NOT OPEN </div> 	The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of insinuated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock	
CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). REFER SERVICING TO AUTHORISED SERVICE PERSONNEL.	The exclamation point within an equilateral triangles is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.	

WARNING:
TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

DO's and DON'T's

DO's

- ◆ Always power this product from an outlet with the same rating (voltage and frequency) as indicated on the rating label on the back of the product.
- ◆ If this product has been damaged (including cord or plug) take it to an authorised service technician for inspection, and if necessary, repair.
- ◆ Turn off and disconnect the power cable before cleaning or storing this product.
- ◆ Ensure this product does not get wet or splashed.
- ◆ Only use the A/C power adapter supplied with your product, or a replacement recommended by a authorised technician.

DON'Ts

- ◆ Do not place naked flames, such as lighted candles on or near the product.
- ◆ Do not place objects filled with liquids, such as vases on or near the product.
- ◆ Do not install this product on top of other electrical equipment or on uneven surfaces.
- ◆ Do not use or store this product in a place where it is subject to direct sunlight, heat, excessive dust or vibration.
- ◆ Do not use this product with wet hands.
- ◆ Do not clean this product with water or other liquids.
- ◆ Do not block or cover the slots and holes in the product.
- ◆ Do not push foreign objects into the slots or holes in the product.
- ◆ The screen surface is easily scratched. Do not touch the screen with your hands or any hard object.
- ◆ Do not pull the power cord when disconnecting power. Turn off the switch on the socket and pull the plug not the cord.
- ◆ Do not attempt to open this product yourself. There are no user serviceable parts inside.

SAFETY WARNINGS

- ◆ Before using this product, read and follow all warnings and instructions.
- ◆ This product is not intended for use by young children. Young children should be properly supervised.
- ◆ This product is intended for household use only and not for commercial or industrial use.
- ◆ Do not expose to dripping or splashing.
- ◆ No naked flame sources, such as lighted candles, should be placed on the product.
- ◆ Allow suitable distances around the product for sufficient ventilation.
- ◆ Ventilation should not be impeded by covering ventilation openings with items such as newspapers, table cloths, curtains and the like.
- ◆ Make sure the LCD TV stand is adjusted to a stable position. Damage caused by using this product in an unstable position or by failure to follow any other warning or precaution contained within this user manual will not be covered by warranty.
